

Bernini Design SRL Warranty Policy

Bernini Design SRL (hereinafter BD) warrants that a BeXXX(*) product will be free from defect in material or workmanship for a period of three years from the BD delivery date. BD will, at its discretion, repair or replace the BeXXX product without charge. BD will return the BeXXX product to the buyer with the default parameters at no extra charge. The buyer has to furnish sufficient information on any alleged defects in the BeXXX product, so as to enable BD to determine their cause and existence. If the BeXXX product is not defective, or the BeXXX product is defective for reason other than covered by this warranty, the buyer will be charged accordingly. This warranty will not apply if the BeXXX product has not been used in accordance with the user manual and other operating instruction, particularly if any defects are caused by misuse, improper repair attempts, negligence in use or handling.

(*) Any Bernini Design manufactured product (Be21..Be22..Bexxx, battery chargers, electronic boards, control panel and so on)
